REMARKS: Re your memorandum of 28 January which requested a reply by 30 January and your telephone call of 31 January, the basic memorandum is herewith returned with the sole comment that the matter has been discussed with the legal representative of the Civil Service Commission and with the Office of the Executive Director. No information is forthcoming from them because of the necessity of their reviewing the entire Special Funds situation for a written decision.

Inasmuch as the time element consisted of two whole days, proper discussion with the Civil Service Commission and the General Accounting Office was not possible.
